Sierra Blanca

Ref: MV057

Property Type: Villa	Bedrooms: 3
Location: MARBELLA	Bathrooms: 3.5
	M2 PlotSize: 3500 m2

This beautiful villa has been designed on one single level floor. The living room and dining room extend out to the large terraces. The entire villa looks out to the garden and the Mediterranean sea beyond, including views to Marbella's insignia mountain of La Concha. Excellently communicated to Marbella center, Puerto Banus, golf courses and the nearest beaches, all at aprox. 5 mins. driving distance.

This exclusive and tranquil urbanisation is situated in Sierra Blanca and has security guard at the entrance. The villa is surrounded by a beautifully kept mature garden. The entrance hall, with guest bathroom, leads to the winter and summer dining areas, and to the staff quarters beyond. This entrance hall also leads to the living room and the main en-suite bedroom. The owner of this beautiful home has invested careful attention to every detail of the decoration, from sponged painted walls to the choice of marvellously combined furniture tapestry.

The other two en-suite bedroom, also enjoy direct access to the garden. Families with children have the possibility of including comfortable bunk beds in one of the bedrooms to accommodate 4 children, incrementing guest capacity to 8 persons.

The live-in staff serve breakfast every morning, and maintain general cleaning, from Monday to Friday. A gardener regularly maintains the exteriors.

A unique and rare opportunity for those guests who search a home offering the relaxed and elegant life style that built Marbella's reputation during the golden 60's exclusive Mediterranean resort.

The villa can be rented only for a minimum period of one month, July or September.

Short term rental: 10,500€ / w
